Mounted Justice would like to provide a hands-on clinic for you and your horse that will enable you to join us in this exciting equine sport. We use 45 cal. single action revolvers with blank loads (there is no projectile) engaging a predetermined course of 10 balloons.

You will receive individual instruction from our experienced members while your horse becomes

acclimated to the sound of gunfire. By the end of the day, you will be shooting off of your horse!

During the clinic you will:

- Be guided in the proper use of 45 cal revolvers
- Shoot balloons from the ground
- Your horse will become conditioned to gunfire
- You will shoot from horseback

- Practice course management

Guns and holsters will be available for your use during the clinic or you may use your own. (If you don't have holsters, bring the widest belt that you have.)

Horses must neck rein at a walk, trot, and canter.

No live ammunition allowed at any time!

Clinic participants will be able to participate in an official CMSA shoot immediately following the clinic for a reduced rate of \$25. There are two events; Saturday evening and Sunday.

\$100 Horse & Rider ~ SPECTATORS are welcome and FREE

The clinic is limited to 15 riders. Reserve your spot with a \$25 deposit.

Negative coggins (original and copy) required. Rough camping
