Mounted Justice is offering a hands-on clinic for you and your horse... that will enable you to join us in this exciting equine sport of Cowboy Mounted Shooting! We use 45 cal. single action revolvers with blank loads (there is no projectile), engaging a predetermined course of 10 balloons. You will receive individual instruction from our experienced members, while your horse becomes acclimated to the sound of gunfire.

By the end of the day, you will be shooting off your horse!

During the clinic you will:

- ✓ *Be guided in the proper use of 45 colt single action revolvers.*
- ✓ *Shoot balloons from the ground.*
- ✓ *Your horse will become conditioned to gunfire.*
- ✓ *You will shoot from horseback.*
- ✓ *Guns & holsters will be available for your use during the clinic, or you may use your own (If you do not have holsters, bring the widest belt that you have along).*
- ✓ *Horses must neck rein at a walk, trot, and canter.*
- ✓ *NO Live ammo is allowed at any time.*
