President Shaun Bagley

Welcome!

Mounted Justice is Wisconsin's state mounted shooting club, and an affiliate of the national organization CMSA (Cowboy Mounted Shooting Association). Mounted Justice is excited to extend the opportunity to your organization to sponsor/donate to further drive our community support through the fastest growing equine sport, mounted shooting. What is mounted shooting you ask? A fast paced timed event involving single action revolvers, shotguns, and lever action rifles. Loaded with black powder blank ammunition and a target of ten balloons, the goal is speed and precision all while riding our equine athletes and maintaining the western tradition.

Mounted shooting encompasses all ages and demands: gun safety, precise aim, horsemanship, accountability, and discipline. Mounted shooting's wrangler (kids) division has given an avenue of learning to take care of their horses' health, gun safety, horsemanship skills, and of course produces a ton of large smiles while building confidence. Furthermore, it offers our veteran, police, and EMS members a positive community, encouragement, and a friendly family atmosphere that is much needed.

Your sponsorship will help bring communities and families together by greater donations made at each dedicated event. Events can be dedicated to a variety of charities depending on location and time of year. Potential recipients include a veteran in need, k9's for veterans, cancer victims, and the Children's Hospital. Your sponsorship will also help with the additional necessary needs to keep events running smoothly, such as the cost of our remote automated balloon setting machines maintenance, general equipment, along with year end accomplishment prizes.

Your company can be seen by 100,000 PLUS people in Wisconsin and surrounding states! Mounted Justice hosts 6 full weekend shoots in Wisconsin, a tri-state (Wisconsin, Iowa, Illinois) shoot, and events like Farm Technology Days, where 50,000 people attend. In addition, the world's largest equine event is right here in Madison: the Mid West Horse Fair, which feature at average 60,000 people in attendance.

Can we count on you for your help?
